## SCHOOL CLUBS – Autumn Term 2019

**PE Club** will run on Tuesdays.

**Gardening Club** will run on Thursdays. If a parent could volunteer to help then we can take more children.

- **All after school clubs will end at 4.15pm.**
- **Some clubs** usually have a small charge to cover the cost of resources that will be used, but for the Autumn Term these costs will be covered by the School.
- Please check to ensure that your child is the right age for the club you are requesting.
- Due to the fact that we are running a limited selection of clubs this term, we reserve the right to reduce each child's membership of a club, to ensure that all children experience at least one club this term.
- **We expect good behaviour in our clubs and if a child misbehaves, they will be asked to miss the following week and if the behaviour does not improve, then the child will be asked to leave the club.**
- Once your permission slip has been returned, you may assume your child is accepted into the club unless we are oversubscribed. You will be notified if your child is unable to take part.
- If anyone is available to help with a club please let Mrs Wittich know. Clubs with limited spaces may be enlarged if there is a parent helper each week.
- If you wish your child to take part in any school clubs please complete the permission slips. **Please return slips as soon as possible.**
