

Friday 17<sup>th</sup> January 2022

Dear Parents and Carers,

As you know, the week beginning Monday 7<sup>th</sup> February we will be spending the week...

The theme this year which will be followed across the county in every school taking part is *Body Positivity*.

The teachers are busy planning a week of wonderfulness for the children at school with a focus on the theme. We will share what the children get up to on the Google Classroom streams and in the Celebration Assembly on the 11<sup>th</sup> February.

### **FoRS give a heart**

To coincide with Feeling Good week, FoRS will be selling friendship 'HUG' hearts. These will be on sale for 50p each and children (or parents) will be able to buy as many as they like to gift to friends or family as a little token of friendship. Details to follow which day they will be on sale.

### **Fancy Dress for Home Start**

We will be supporting Home Start as we do every year. For a donation to Home Start you can spend the day in fancy dress. The colour theme set by Home Start is purple, pink orange or blue or something heart shaped. To keep with the body positivity work, I am more than happy for the children to wear something that makes them feel good themselves if they would prefer. There will be a donation link on our website during the week.

We look forward to a week of feeling good!

Yours sincerely

Vicky Wittich

Headteacher
