

Tuesday 2nd February 2021

Dear Parents and Carers,

As you know, next week from Monday 8th February we will be spending the week...

The teachers are busy planning a week of wonderfulness for the children at school and at home to support wellbeing and mental health. These will be communicated on Google Classroom.

We also have some activities for the whole school to take part in to keep our sense of togetherness despite being apart.

House Challenge: Which House can walk, run, skip, hop the most steps?

On your daily exercise from Monday 8th to Friday 12th, count how many steps you manage and put the evidence on your Google Classroom stream each day. 30 House points will be given to the House for collecting the most steps together, 20 for second place and 10 for third place. This could make a big difference to the totals and keep us fit too. The teachers and support staff will be joining in also. To be fair, I will divide my steps equally between each House.

Send a hug in an envelope

We all love getting some exciting post. If you are at home or school, we would like you to write a letter, make a card or draw a picture and send it to a friend who is at school. The children at school will be sending hugs in an envelope to each other and those children who are at home. So hugs for all!

Put your heart into writing

The snowmen on our school railings are looking like they have had enough of the weather! In their place, I would like to brighten up everyone's day by covering it with messages in hearts. The messages won't be for anyone in particular but to cheer up those who pass them. Let's spread a little love and happiness! You can make a heart from whatever you have if you are at home and send it to school to add to our display. If it is tricky to get it to us, you can always send a photograph. If you want to, you could make your own display of hearts on your house instead, or as well! The bigger the better, the more the merrier!

My peaceful captured

While you are out and about, take a photograph of something which you have stopped to enjoy which made you feel good! There will House points for entries and all photographs will be displayed on our Wellbeing section of our website.

Fancy Dress for Home Start

For a donation to Home Start spend the day in fancy dress. There is no particular theme so whatever you fancy! Dress to impress for some extra House points!

We look forward to fun and memorable week!

Yours sincerely

Vicky Wittich
Headteacher
