### Phonics & Pronunciation we will see:

- **I** sound in **Famille** & **Fille**
- **IN** sound in **cinq** & **cinquante**
- **ILLE** sound in **Famille**
- **IQUE** sound in **unique**

Silent Letters: The final consonant (s) is not pronounced in **appelles, ans, soeurs, mes grandparents, les** or **parents**. This is often but not always the case in French.

Elision : In **je m'appelle/ il s'appelle/ elle s'appelle/ j'ai**. This is when the last letter of a word ends in a **vowel**, and so is dropped and replaced with an **apostrophe** because the first letter of the next word also starts with a vowel or a silent 'h'. This is done to help pronunciation.
