

Learning Together, Learning for Life

Reed First School Pupil Premium Funding 2019 / 2020

Focus for 2019 – 2020

To continue to contribute to diminishing the difference between disadvantaged children in school to non-disadvantaged children in school and nationally.

Summary of proposed spending:

Resources to deal with anxiety, improve concentration, and handle difficult emotions.

Reading resources to support closing the gap.

Maths resources to support closing the gap.

To ensure pupils are able to access the extra-curricular activities available after school.

To ensure all pupils are able to extend their learning through rich learning experiences beyond the school.

Pupil Premium Grant 2019 / 2020 = £5582 for April 2019 to March 2020

Activity	Lead	Time	Focus pupils	Cost	Objectives	Aims and Outcomes
Personal, Social and Health Education supports our pupils alongside Mindfulness	VW	45 minutes per week	All PP All pupils in EYFS, KS1 and KS2 will benefit.	£100 (E19) £1,800 £1620 discounted	To introduce Mindfulness across the school using bespoke sessions for all PP children. To introduce a PSHE scheme across the school to build on themes and learning year on year. To make use of the scheme characters to support pupil wellbeing in extra sessions in Nurture groups when required.	Children are equipped to deal with anxiety, improve concentration, and handle difficult emotions.

Reading resources to support closing the gap.	VW	Daily	All PP All pupils in EYFS, KS1 and KS2 will benefit.	£1,500	To ensure reading matches the sounds which children are taught in phonics lessons in EYFS and KS1. To ensure progression in texts across book bands which children are closely matched to. Texts are age appropriate at KS2. Children are read to by the adults in the school texts of high quality and interest.	All children are reading texts which are phonics and age related. Children all have access to a range of text types. Class readers engage pupils to add to the reading rich environment.
Maths resources to support closing the gap.	HT		All PP All pupils in EYFS, KS1 and KS2 will benefit.	£1,000	To supplement practical concrete resources to support teaching, learning and understanding in maths.	All pupils have access to familiar concrete resources to encourage mathematical thinking and reasoning. Recorded learning demonstrates effective use of the manipulatives. Pupils select equipment automatically when working mathematically.
Funding for extra-curricular activities and club where there is a cost to parents.	VW	On going	All PP	£500	To ensure all pupils are able to access the extra-curricular activities available after school.	Parents seek support to enable children to take part in clubs where there is a charge. The amount of pupils taking part increases including PP.
Funding for school trips / workshops where there is a cost to parents.	VW	On going	All PP	£300	To ensure all pupils are able to extend their learning through rich learning experiences beyond the school.	All children experience workshops and trips regularly through-out the school year. The pupils voice the impact the experiences have on their learning.
Total: £5,200
