Dear Parents and Carers

I am pleased to be sending you today, a copy of our 5-year strategic plan for the school. After consultation with pupils, staff, parents and governors last academic year; the ideas gathered have enabled me to capture all of the views of stakeholders into one document. As a result, it demonstrates our shared vision and direction for the school.

You will see that the document begins with the school's vision which has driven all of the work we have done over the past 4 years. The plan below aims to continue to reflect this vision and ensure the school can continue to grow and thrive.

The document like all plans, will be reviewed regularly. After the success of the 'Coffee and catch up' sessions last year, this will be repeated during every school year, where you will be able to ask more questions, offer your views and discuss the progress we are making and how well we are meeting our vision. All views from all stakeholders will be included at least annually. Governors will be reviewing progress at least termly.

I would like to take this opportunity to thank you for your input and commitment to the school.

Yours sincerely

Mrs V Wittich
(Headteacher)
