

Weather and Seasons - Key Stage One

Questions I will be able to answer:

Our Learning journey to the world - Weather and Seasons in the United Kingdom

Key vocabulary
Words I will know and use

Celsius: we measure the temperature of the air in degrees Celsius. You can use $^{\circ}\text{C}$

Millimetres: The unit we measure rain fall in

minus – this is used when the temperature is below zero degrees Celsius like -1°C

month – there are 12 months in one year

rain gauge: a tool you can use to show how much it has rained

season: a time of the year with a particular type of weather

thermometer: equipment to measure the temperature of the air

temperature: how hot or cold it is

weather forecast: explaining what the weather will be like across the United Kingdom and in our local area.
