Key areas as outlined in PE and sport premium guidance	What went well? Supporting evidence?	What didn't go well? Supporting evidence?
1. Increasing confidence, knowledge and skills of all staff in teaching PE and sporting activities prioritising CPD and training where needed	Investment in our chosen scheme has continued to ensure high quality teaching of PE and to support teachers as non-specialists to deliver it with detailed lesson plans and videos to demonstrate skills both for staff and pupils to make use of. Use of more confident staff in teaching PE has continued to see the subject have a high priority across the school. Staff, parents and pupils recognise the importance of PE and the quality offered in lessons. Use of our SGO network has continued to enable access for attending staff to work with specialist teachers and observe the delivery of PE sessions. Sessions attended have gone on to see teachers having greater confidence to adapt lesson plans. We have also observed pupils attending the events with confidence and skills needed already embedded before attending demonstrating, teacher subject knowledge is good. Bikeabilty training supported staff in skills needed to ensure continued use in EYFS.	Having mixed age classes, at times limits the number of SGO events we can attend.
2. Increasing engagement of all pupils in regular physical activity and sporting activities	Monitoring of opportunities for physical activity at play times, demonstrates a wide range of opportunities available including: climbing, balancing, heavy work, team games. Children choose to use equipment available to them. 100% of pupils state that they enjoy PE lessons and that a range of sports are encouraged. There is no segregation between boys and girls in what is offered. The levels of fitness seen in sports such as dance, yoga and gymnastics have been recognised by the older pupils. Sports clubs led by staff have been very successful. 63% of pupils have regularly attended an extra curricular sports club after school. All pupils in KS1 and 2 attend 2 hours per week of national curriculum PE lessons. Early Years are able to access physical activity in every CIL session which takes up the majority of the timetable, they also enjoy a discrete PE lesson with the school's PE lead. Physical activity has also been key in the self regulation some pupils need to be able to engage in learning. Sensory circuits, movement breaks, heavy work have significantly contributed to the wellbeing of pupils. Pupil voice identifies physical movement as the most positive difference the ability to access learning once movement has been enabled. Opportunity to take part in Bikeability supported pupils to use cycling to be active. 100% of pupils aiming for level 1 Bikeablity were successful.	Not all staff at play, engage with the children in play to encourage more physical activity. Investment in carefully selected new playtime equipment aims to see this rectified with the reinstatement of paly leaders who will be supported by staff who are also keen to see more interactive active play.

1. Total PE and Sport premium for 2025 to 2026 £16,410

2. Grant spending

Has your school spent any of its PE and sport premium grant on CPD in academic year 2025 to 2026? Yes

How much has your school spent on CPD for academic year 2025 to 2026?

£ 1,034.6

How much has your school spent on CPD upskilling staff to deliver swimming lessons for academic year 2025 to 2026?

£ 0

How much has your school spent extracurricular opportunities for academic year 2025 to 2026?

£ 3,849.15

How much has your school spent on equipment and resources for academic year 2025 to 2026?

£ 7,019.10

How much has your school spent on membership and subscription fees for academic year 2025 to 2026?

£ 2,707.15

How much has your school spent on activities organised by the SGO network for academic year 2025 to 2026?

£ 1,000

How much has your school spent on entering external school sports competitions for academic year 2025 to 2026?

£ 800

How much has your school spent on external coaching staff for academic year 2025 to 2026?

£0
