

Values focus: RESILIENCE and ASPIRATION

Ages 3-5: Jackson Class	Puzzle overview: Healthy Me	
	In this Puzzle, children learn about their bodies: the names of some key parts as well as how to stay healthy. They talk about food and that some foods are healthier than others. They discuss the importance of sleep and what they can do to help themselves get to sleep. They talk about hand washing and why it is important. The class also discuss safe adults and what they should do if approached by someone they don't know.	
	Knowledge	Social and emotional skills
	- I can name some parts of my body and understand that being active helps keep me healthy - I understand that moving my body and resting are both important for my health - I can talk about things I need to do to stay healthy - I know what "healthy" means and can begin to make healthy food choices - I know how to help myself go to sleep and understand why sleep is important - I can wash my hands and understand why this is important, especially before eating and after using the toilet - I know who my safe adults are and how to stay safe if they are not close by	- I can notice how my body feels when I am active and understand that moving helps keep me well - I can recognise when my body needs movement or rest - I can talk about some ways I can look after myself and keep my body healthy - I can make simple healthy choices and notice how these help my body and feelings - I can use strategies that help me feel calm and ready for sleep - I can take responsibility for caring for my body by keeping myself clean and healthy - I can identify trusted adults (Trusted 5) and ask for help when I feel unsafe or unsure
	Vocabulary	
	asleep, challenge, clean, exercise, germs, healthy, hygiene, less healthy, movement, rest, safe, scared, sleep, stranger, stretch, teeth, unexpected, unplanned, worried	

This page offers simple ways to support your child's learning at home. The questions, ideas, and resources below encourage meaningful discussion, independence, and practising key life skills in everyday situations.

Talking Together: suggested questions to support Healthy Me learning at home			
Ages 3-5: Jackson Class	Body awareness - How does your body feel when you run, jump, or stretch? - What is your favourite way to move your body? - When does your body feel tired and need a rest?	Healthy choices and self-care - Which foods help us to be healthy? - What can we do to keep our bodies clean? - Can you think of something that might help your body to stay healthy?	Hygiene and independence - When should we wash our hands? - Can you show me how to wash your hands? - Why should we brush our teeth?
	Sleep and wellbeing - What helps you get ready for bedtime? - Why is sleep important for our bodies? - What helps you feel calm before bed?	Safety and trusted adults - What would you do if you felt worried or scared? - Who can you ask for help if you get lost? - What should you do if a stranger talks to you?	Feelings and self-awareness - How does your body feel when you are happy? - How does your body feel when you are worried? - What helps you feel calm again?

Values focus: RESILIENCE and ASPIRATION

Ages 8-9: Year Four	Puzzle overview: Healthy Me	
	In this Puzzle, children explore friendships, group dynamics and the emotions linked to belonging, trust and feeling left out. They consider how peer influence can affect choices and learn ways to stay safe with friends, including near railways. Across the six Pieces, children learn key facts about smoking, vaping and alcohol, and practise recognising pressure, managing uncomfortable feelings and acting assertively. They reflect on what makes a healthy friendship and how to resist unsafe situations.	
	Knowledge	Social and emotional skills
	• I recognise how different friendship groups are formed, how I fit into them and the friends I value the most • I understand how peer influence can lead to unsafe choices, including fire risks and risky behaviour, and know how to reduce risks and ask for help • I know some facts about the effects of smoking and vaping on health, and why some people might start to smoke or vape • I understand the facts about alcohol and its effects on health, particularly the liver, and some of the reasons some people drink alcohol • I can recognise when people are putting me under pressure and can explain ways to resist this when I want • I know myself well enough to have a clear picture of what I believe is right and wrong	• I can identify the feelings I have about my friends and my different friendship groups • I can recognise feelings of embarrassment, pressure or wanting to fit in that might stop me making safe choices, and know how to manage these feelings to keep myself safe • I can recognise negative feelings in peer pressure situation (such as embarrassment, shame, inadequacy and guilt) and know how to act assertively to resist pressure from myself and others • I can identify feelings of anxiety and fear associated with peer pressure • I can tap into my inner strength and know how to be assertive
	Vocabulary	
	advice, agree/disagree, alcohol, anxiety, assertive, believe, disease, emotions, embarrassment, fear, follower, friendship groups, friendships, guilt, healthy, leader, liver, lonely, opinion, peers, pressure, puberty, relationships, right, roles, smoking, trust, value, vaping, wrong

Values focus: RESILIENCE and ASPIRATION

Each week one child from each year group from Nursery to Year 4 will be recognised to demonstrating particular aspects of our Jigsaw learning:

This week we are celebrating people who:					
Week One	Week Two	Week Three	Week Four	Week Five	Week Six
Have made a healthy choice	Have eaten a healthy, balanced diet	Have been physically active	Have tried to keep themselves and others safe	Know how to be a good friend and enjoy healthy relationships	Know how to keep calm and deal with difficult situations

These will be shared in Celebration Assembly each Friday.

Please refer to the policy and curriculum map for further detail of our PSHE curriculum and approach.
